LET'S GO MOLINE!

MHS was definitely "Bursting at the Seams" this year. The addition of 691 freshman and 41 new teachers, resulting from the Moline School Board's decision to close Calvin Coolidge Junior high, brought with it more crowded hallways and classrooms. Many classes consisted of more than thirty students this year, and almost every locker was occupied. In order to accommodate the increased number of students, the class schedule was staggered this year with many upperclassmen having classes from 8:00 to 2:30 and most freshmen attending class from 9:00 to 3:30.

The addition of freshman to MHS brought with it many advantages to offset the crowdedness. Freshmen participated in various school activities, making many clubs and organizations more active, as well as adding to our athletic teams. Student Congress was able to expand this year, and provide the entire student body with more services.

Even though we were bursting with new students this year, the entire student body has profited from the change.

Can't hear us now.
So yell a little louder.

This year's Hometown, sponsored by the Senior class was just as crowded and active as ever. It was held on the netless tennis courts at Stevens Park on Saturday September 17 from 7:00 to 10:00 P.M. Bringing nearly 600 MHS students together for the first big social event of the year, the usual western theme was adhered to. Even though 600 students were there, only 450 were brave enough to exhibit their square dancing technique. It was mostly square dances, called by Mr. Daryl Gartner with his wife demonstrating the various steps, yet there were other types of dances, consisting mainly of the Hustle, the Bunny Hop, and the Twist. MHS parents chaperoned the event, along with Mr. Bushman, Mr. Boom, and Mr. Johnson. Everybody enjoyed an exciting evening, so "Y'all come back next year ya hear?"

WE WARMED THEIR WINTER

Displaying her new friend. Senior Gail Dembosky gives a heart-warming Share Joys smile

Share joys is a longstanding tradition at Moline High School going back to 1950. The money collected each year is used to buy clothes, such as shoes, coats, shirts, pants, etc., for certain needy children in the area. Each year the goal is arrived at by multiplying the student population by 1.5. This year the school's student body raised the tremendous amount of \$9800 during the three days of Share Joys in December, in the form of sales, cakewalks, auctions, and even a variety show put on by the National Honor Society. \$9800 is the largest amount ever collected for Share Joys by this school. This made it possible for the Line O' Type Staff to buy toys in addition to the clothes that are annually bought with the money.

The Christmas spirit of the student is brought out at this time of year and is evident in the enthusiasm with which they pursue the fund drive. As the following pictures show, the students and the faculty had a lot of fun raising the money, also.

Mr. Gager's annual Christmas pictorial flows down the chalkboard

As we look back on our three years at MHS, we see that we have met most of our goals or at least attempted them. Maybe we didn't achieve what we set out to accomplish but we have grown both individually and as a class.

When we began our journey as Sophomores a maze of endless halls, new faces, and unlimited opportunities surrounded us. We tried our hardest to become a part of the MHS lifestyle, to prove ourselves. Everything was new and exciting. Frustration with self-scheduling, eating the cafeteria food, having our lockers jam, getting lost, and being called "Sophomore" over and over again were all a part of life at MHS.

The year began with our first "Bonfire" and was followed closely by our first heel-clicking "Ho Down". We were really enjoying the activities, laughter, and fun. It was "Our School". Our first Homecoming was undoubtedly

The Greatest Show on Earth! Together we "choo-chooed" our way to a prize winning float. "The Dance" (our first big date) and "The Game" made a perfect weekend.

For most of us the highlight of our Sophomore year was getting our "Drivers License". We now had our chance to cruise the avenue and jam a dozen kids into our cars for an evening of fun. Before we knew it the year was over and we were no longer the rookies — we were experienced.

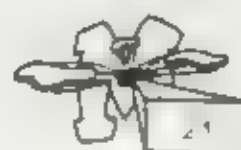

Being the juniors at MHS was a new challenge. Our athletes had their champs on the varsity teams and it was time for us to begin seriously thinking about our future. We took the ACT and SAT tests and spent countless hours cramming for finals. We built "Yosemite Sam" for our Homecoming float which was a "sure-shot" for first place. The climax of our junior year was the Prom. It led us "One Step Closer" to our destination.

We're here at last — Seniors! College, marriage, or jobs are just around the corner. Caps and gowns, announcements, senior pictures, senior prom, spring break '84, senior skip day, and finally Graduation! Can it end so soon? We cherish every memory and look to the future with uncertainty — what will it hold for us? Who are we and where will we be going? The memories of our years at MHS will live forever as each of us begin the "rest of our lives". Hold onto your dreams and reach for the stars, class of '84. The world is ours!

SENIORS

1983-1984 SENIOR CLASS OFFICERS

Julie Rott class President

"I hope the friendships that we've made these last three years and the memories of the class of '84 will last forever. To me, these have been the greatest times of my life. I wish all of you the best of luck and much success in the future. Keep the spirit of MHS and the class of '84 alive and in your hearts forever!"

Lisa Railsback class vice-President

"Well fellow classmates, it looks like it's finally over! I know there's been thousands of times when I've found myself saying, "I just can't wait until graduation," but now it's here and we all **have** to leave. No more bonfires, games, or dances. Before we go our separate ways, I'd like to say it's been great!"

Diane Scott class Secretary/Treasurer

"Each member of the class of '84 will remember different events from our three years at MHS, but the pride we have in our class is shared by all of us. Remember the friendships and the good times, for we've "grown-up" during these three years together. Keep the memories of the homecomings, share joys, and proms alive forever. I wish all the seniors happiness and success in the years ahead and always remember the times of your life at MHS!"

The Junior Class is very supportive, with a lot of students involved and a lot of good times.

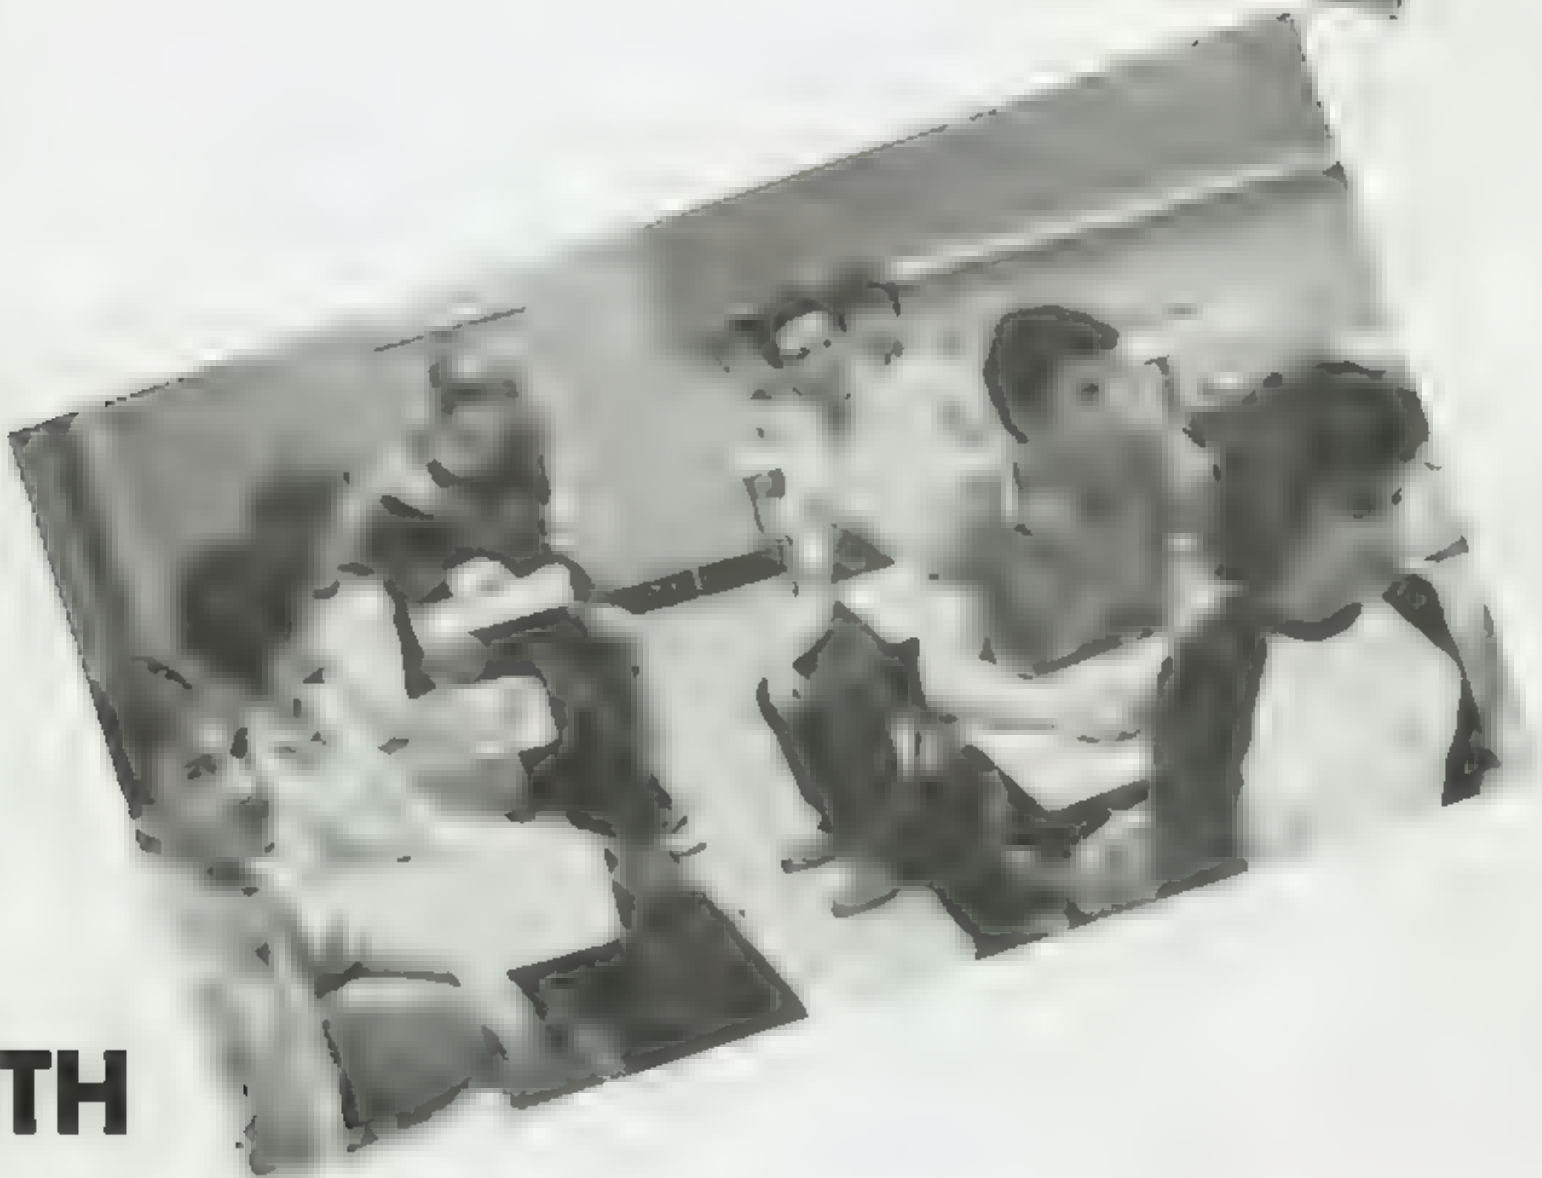

Our class had a lot of successful activities this year one of which was the Class Float. Everyone worked together very hard to build the Kermit the Frog float. It took second place in the Homecoming parade and first place in the Halloween parade.

The Junior Class sponsored an all-school dance with a Hawaiian theme. KIK 104 played music and everyone dressed with the Hawaiian theme. There was a great turn out and everyone had a terrific time dancing and socializing.

The Junior Prom was also a huge success. Everyone that attended had a wonderful time and it will be a night long remembered.

Our advisors helped us in every way. Without them our class would not be what it is now. The Class of '85 would like to thank Miss McCarter, Mr. Gager, Mrs. Nusbaum, and Mr. Taber for all their support. We would also like to thank Mr. Bushman for all of his help. We appreciate all you've done.

With only one year left at Moline High School, we have two years of fun to look back on and our best times to look forward to.

JUNIORS

HERE'S TO YA '85!

It was a night of excitement and celebration as the '85 class gathered for their annual dance. The event was held at the local community center, where students and faculty alike enjoyed a night of music, dancing, and socializing. The dance featured a variety of popular songs from the mid-1980s, and the students showed their skills on the dance floor. The night was a success, with everyone having a great time and creating memories that will last a lifetime.

The best word to describe the very first Freshmen Class at Maine High School is "enthusiastic". Many teachers, staff members, and students have commented on the added enthusiasm from this year's Freshmen Class. The Freshmen have adjusted well to the High School environment. From the very first they were told they would be included in everything and they were. The Ho-Down, Homecoming Floats, Homecoming Dance, Shore Jays, Turn-Around Dance, Special Event Week, and other activities were all open to them this year.

Of course, everything they did this year was the best ever done by a Freshmen Class since they were the first and only one so far. They were very proud of their Homecoming float. Those who worked on it had a lot of fun. It was easy to meet new friends and break down the barriers from the different Junior Highs while working on float building.

Their first fund-raiser, selling first aid kits, was very successful. They paid for their Homecoming Float construction and had enough extra money to help with other activities with money left over to begin next year. Hopefully, many more members of the class will help with future fund-raising so that they can sponsor more class activities.

The pride of their class really showed during Shore Jays. They won the class competition by a landslide. Also, many of the predominately Freshmen classes contributed greatly to the total money raised. It is known that with their help, as well as the help of everyone else, this year the largest amount of money ever was collected.

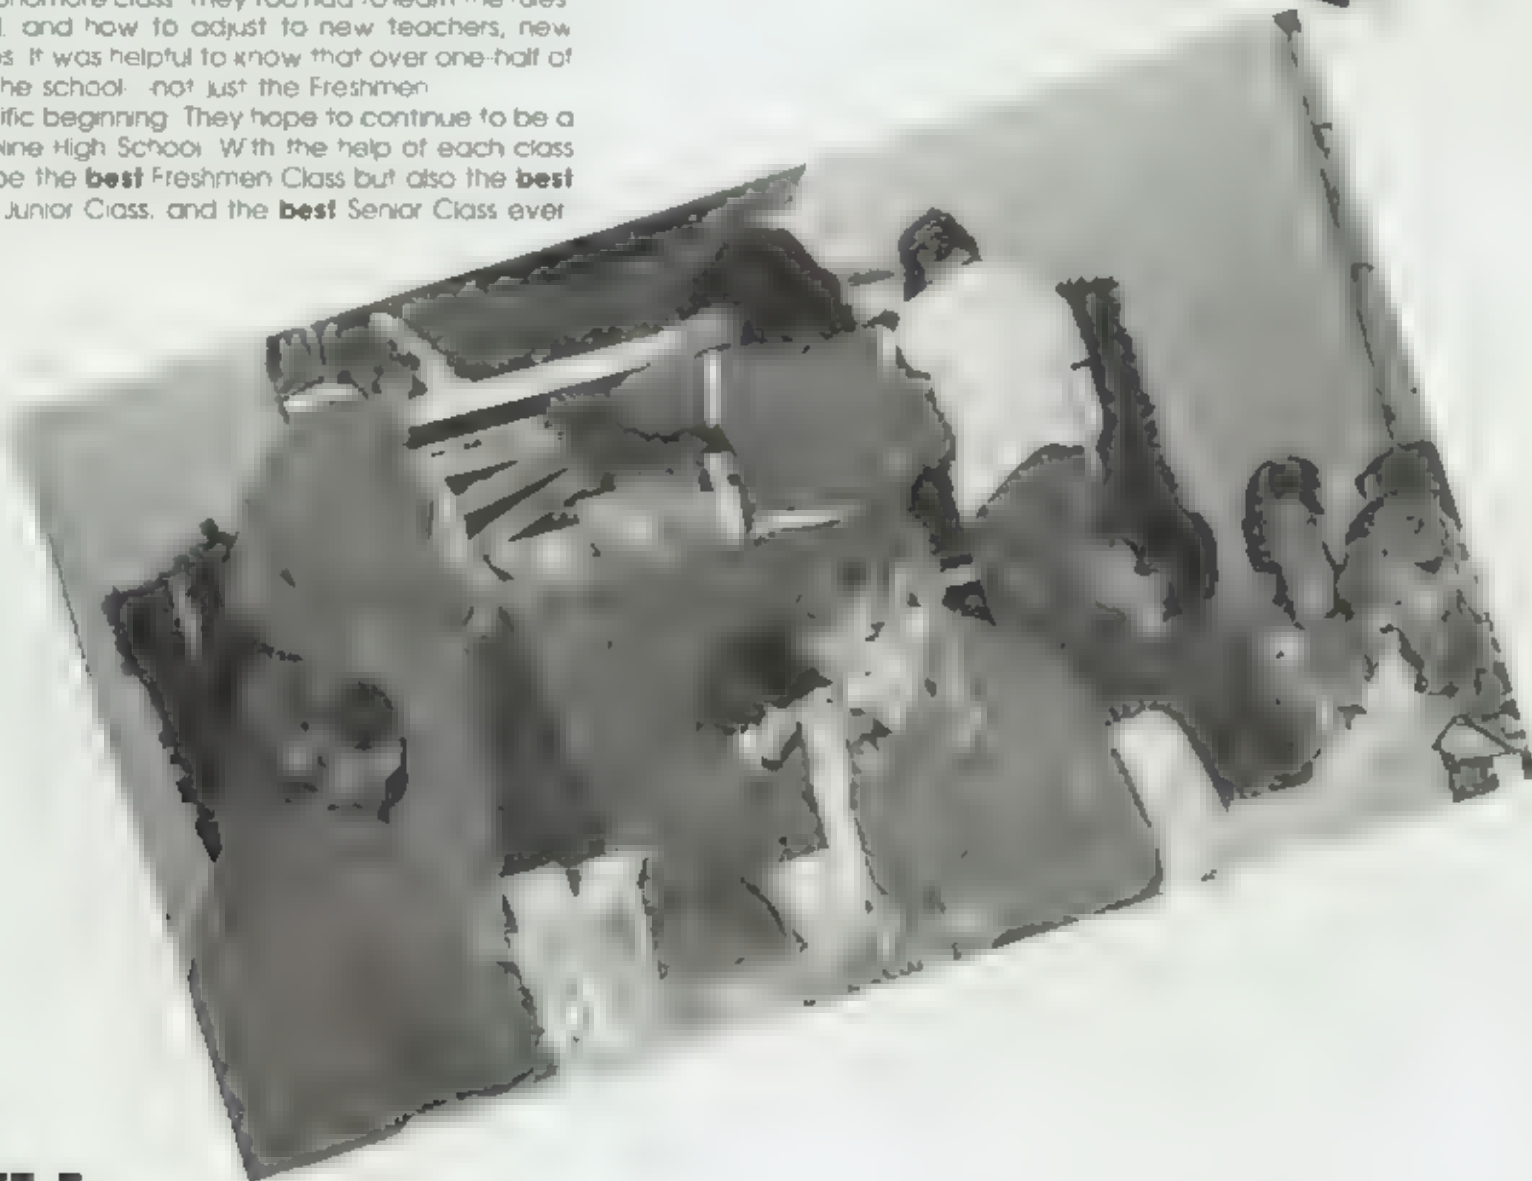

Freshmen class advisors, Mr. Vrstal, Mr. Woods, Mrs. Rotinger, and Mrs. Weaver have helped them greatly. Students were very thankful for the time, effort, and leadership. They hope they will all continue as the advisors for three more years.

The Freshmen sports teams have been very successful this year. In several sports, Freshmen competed along with those from the other classes and some even made the varsity teams. In some sports they have even had enough team members to have more than one Freshmen team. As with all activities, time and facilities have been made available to Freshmen so that they were able to participate equally.

They also had their own Freshmen cheerleading squads who did an excellent job throughout the year. Freshmen were also active in the large intramural program at NHS this year.

The upper classmen accepted them and helped them, especially the Sophomores. It was great to be able to start here at the High School with friendly students from the sophomore class. They too had to learn the rules, where rooms were located, and how to adjust to new teachers, new schedules, and new activities. It was helpful to know that over one-half of the students were new to the school, not just the Freshmen.

The Class of '87 had a terrific beginning. They hope to continue to be a major influence while at Maine High School. With the help of each class member, they will not only be the **best** Freshmen Class but also the **best** Sophomore Class, the **best** Junior Class, and the **best** Senior Class ever.

Clubs and Organizations are important to all MHS students. All clubs and organizations at MHS have a staff adviser and most elect officers. Although some MHS clubs and organizations are more active than others, many participate in school activities such as Homecoming and Share Jays. This year clubs and organizations entered floats in the Homecoming Parade and almost all donated money to Share Jays. Candy sales, flower deliveries, Maroon-A-Grams, and Balloon-A-Grams are only a few of the many fund raisers our clubs and organizations sponsor. Some of the clubs and organizations offered at MHS this year were:

Band
Choir
Contemporaries
Contest Play

Line O'Type editors, Terri Potts, Stephan Fiedler and Julie Riddell take a moment's break

The Line O'Type staff puts out 16 newspaper issues each year. Every spring the advisor, Mrs. Juanita Timson, takes applications from any student who would like to be on the staff. The staff members are then assigned to certain sections. The Daily Dispatch lets Line O'Type use its computers for getting the newspaper written and printed. Line O'Type also plays a major role in Share Joys. Line O'Type is given the money and then takes it and purchases all the items for the families. Staff members deliver the items to each family individually.

Bruce Hampton thinks the Kaleidoscript is cool

Mr. Collins explains Kaleidoscript candy sales at a staff meeting

The editors of the Kaleidoscript are Desiree Grace Dei Maasen and Melissa Jordon

The "Kaleidoscript" is Moine High's annual literary magazine. The 51 member staff is advised by Mr. David Collins. This year, 30 pages were added. They had many fund raising projects. Over \$500 was raised selling candy bars. The "Kaleidoscript" sponsored an after game dance. The "Kaleidoscript" is a curricular with two major deadlines: one in January and the other in March. Joe Lucca senior thought his work on the "Kaleidoscript" was lots of fun. "Everyone had so much enthusiasm."

Unlike other student organizations, Student Congress meets for one hour each day as a class. The Senior and Junior Congress members met from 8:00 to 9:00 this year, and the underclass members met from 9:00 to 10:00. Kristal Leftwich, Junior, didn't think that this split in the class had any adverse effect on Congress. She said, "Our secret pal program helped keep the two classes together. We all really enjoyed Congress this year; it was so fun to be a part of so many great activities!" One half of the Student Congress members are elected by their classmates and the other half are chosen randomly. Kelly Smith, Senior, remarked, "I like the way representatives are chosen. Since half of us were drawn, the Student Congress election was not so much of a popularity contest." Student Congress representatives, officers, and their advisor Gary Bushman are responsible for all major school activities. Homecoming, Share joys and Special Event Week are only some of Congress' responsibilities. Congress members also help during self-scheduling, serve as guides on parent visitation nights, and help with Special Olympics during the summer. Student Congress plays a very important role in student life at MHS.

Sprints is an organization that promotes best wishes to all sports and its teams. It also gives spirit to the play's musical and it makes everybody aware of the school activities that are going on for that day so it can get more school participation out of everybody. This year the chairperson is Sally Wilson. This club can be a daily project because you may have a few events happening the same day. It sometimes requires the girls to come in early before school as well as stay later after school designing posters. Sprints also sponsors at home Basketball as well as Football games. Without Sprints promoting spirit to our atmosphere and our moral. Many of our athletes as well as actors and musicians feel that Sprints make them feel like they have the school behind them.

THE KEY TO SUCCESS

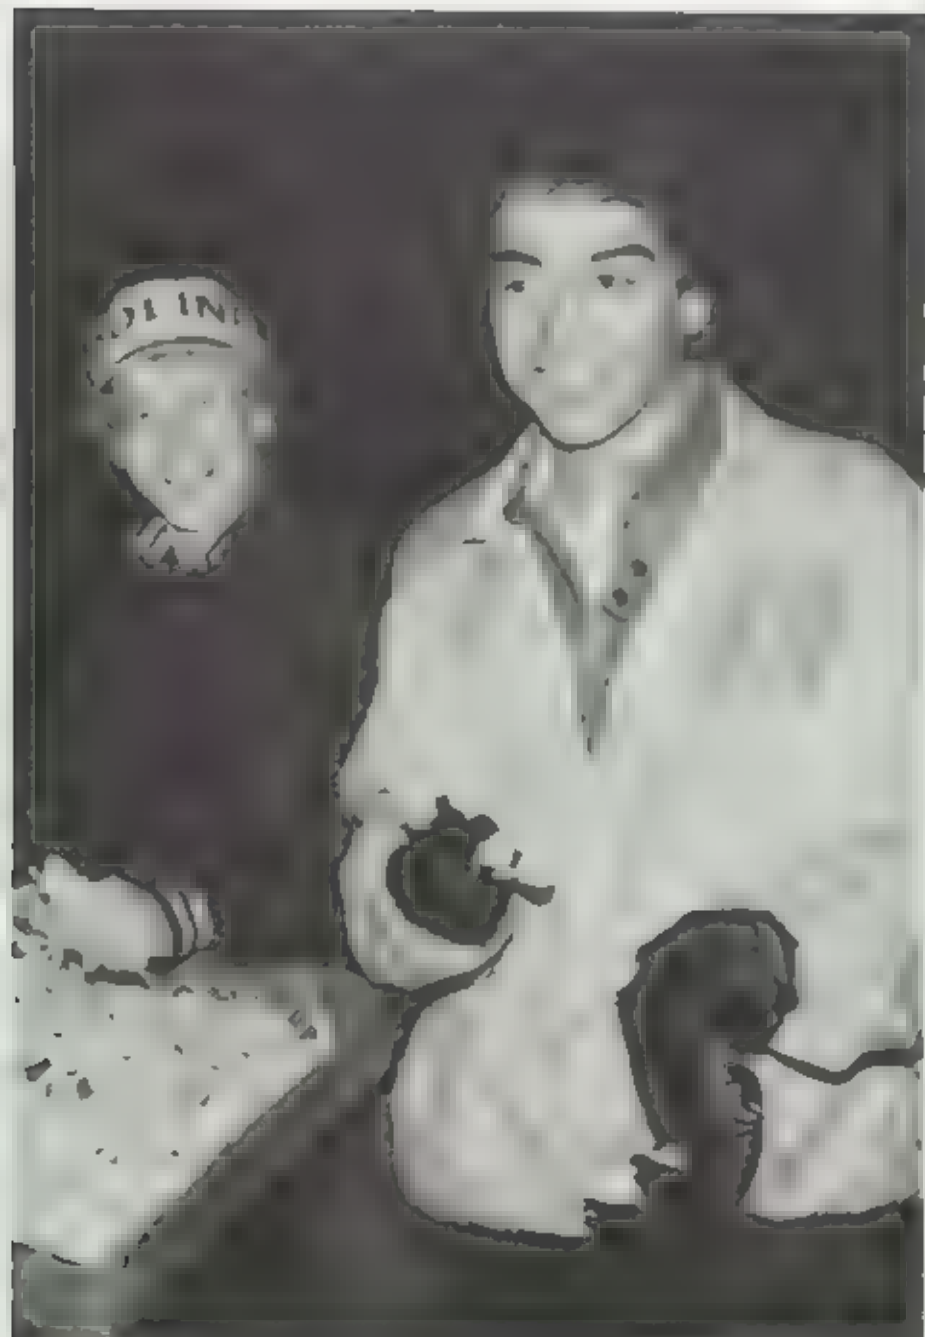

Sponsored by the Moine Kiwanis Club, MHS Key Club is part of an international organization of Key Clubs. For 84 the club went to Utah for the week. Along with their big trip, the club also ventured up to Michigan for several weekend trips.

After a Maroon football game, Ski Club sponsored a Punk Dance, which ended up as one of the best-attended. After game dances, Kik provided the music, and skiing films were shown throughout the dance. All Ski Club members were asked to join the Snowstar Ski Team, which competed in several competitions. The club also decorated Sara Jenkins' car for the Homecoming Parade.

Julie Roloff helps Santa (Doug Zimmerman) pass out National Honor Society door prizes.

This year's National Honor Society has been the most active ever. For the first time, Honor Society members elected a President (Brad Weber), a Vice-president (Dave Sandberg), and a Secretary (Kelly Smith). With the help of advisers Stan Woods and Bill Duffy, members built a prize-winning mini-float for the Homecoming Parade. The Honor Society gave a terrific program for Share Joys which raised about \$2000. The program included a rain dance by Derek Zartman, three skits, "Super Guy", "Child Psychiatrist", and "Passion on Fifth Avenue", a ballet performance by Don Normoyle, and a dance by the Contemporaries. Highlights of the show were the eggs contest which Dan Skogiund won and Santa's drawing for great door prizes like a miniature T.V. and two cordless phones. To pay for their float, Honor Society members sold Bullseye-A-Grams.

the highlight of the year for MHS music students was the presentation of the Broadway musical, "Funny Girl". "Funny Girl" told the true life story of the legendary Follies star Fanny Brice and her rise to stardom. Combining the talents and skills of vocalists, instrumentalists, and dancers, the music department created a tremendously successful show.

The MHS Dramatic Department also had a terrific year, presenting three fine productions. The fall play, "The Remarkable Mr. Pennypacker", was a delightful comedy, directed by Miss Delores Beckmann. "Pennypacker" told the story of an extremely liberal gentleman of turn-of-the century Wilmington, Delaware. Mr. Pennypacker was so liberal and open minded that he believed it was quite alright for a man to have more than one wife — and so he did! Of course, neither family knew about the existence of the other The play was a great success and it introduced several freshmen in their first MHS production.

The winter show, "Rebel Without a Cause" was quite a departure from the comedy of "Pennypacker". Set in a fair-sized American city of the 1950's, "Rebel" told the story of Jim Stark, a troubled teenager who finds himself caught up in the dangerous activities of a gang. "Rebel" was a very special production as it heralded Mrs. Sue Wignall as an MHS director.

In the spring, the drama department presented the horrifying play "The Bad Seed". Directed by Miss Beckman, "The Bad Seed" was the chilling story of a murderous little girl. The intense drama, which takes place in a suburb of a southern city, was an extremely effective production and demonstrated the great talent and dedication of our student actors.

Without the fabulous sets and technical work done by the stage crew the dramatics productions would not have been as successful. Often the 'techies' are forgotten backstage, but they deserve great praise for their efforts. Mr. Scott Anderson has overseen the crews activities and taught students how to operate stage equipment.

Everyone at Moline High School is very proud of the past years artistic achievements. Hopefully, this tradition of outstanding performances will continue for many years to come.

1983-84 was an especially exciting year for those activities at MHS. With the introduction of our very first freshman class, the

number of performing student artists grew by leaps and bounds. The new underclassmen were quickly united with the returning juniors and seniors to create an outstanding season of artistic achievements.

In the past, the Moline High School Music Department has enjoyed a fine reputation for its programs and this year was no exception. In January, twenty-four student musicians from MHS were chosen to perform at the Illinois Music Educators Association's All State

concert. The largest group of students from Moline High School, the state three A's state band members, five were from the orchestra and sixteen were members of the concert choir.

During the month of March, the MHS students under the direction of Mr. Louis Hedegaard, their best teacher, presented their fantastic half-time shows. The shows were over shadowed only by the MHS stage crew. The students, after being freed from the stories of their teachers, were able to present their fantastic half-time shows. The band also provided pre-game and half time music at our home basketball games. But who could forget those dancing feet and bright smiles that accompanied all of those great

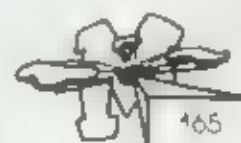

half-time shows? Mrs. Pat Shannon's "Contemporaires" provided some wonderful entertainment during both the football and basketball seasons. The Contemporaires and yet another musical ensemble, the jazz band joined forces with the Concert Choir to present "One Night of Melody", an evening of pop and jazz songs and dances.

The MHS Concert Choir, under the direction of Mr. Calvin Hedegaard, has a reputation as one of the finest high school choirs in the nation. This year the choir had the rare opportunity to act as a demonstration choir at a workshop conducted by Mr. Paul Salamonwich, a world-renowned choral conductor. The choir performed in several concerts throughout the year, along with the other

MHS choral groups A Capella Choir, Treble Choir, and the new Freshmen Boys and Freshmen Girls Choruses. The Concert Choir also worked together with the talented orchestra directed by Mr. Merle Wegener to present an extended work.

Concert Choir is the select group of three choral organizations at MHS. Through individual auditions, Juniors and Seniors are selected annually to perform in the choir.

Included in the choir's schedule for this year were the Fall, Christmas, and Spring Concerts, and the pop-variety show "One Night of Melody." Concert choir also sang at the Homecoming Coronation, Baccalaureate Service, and Commencement. This year's choir hosted the Illinois State University Concert Choir and performed for various civic groups in the area.

ORCHESTRA

Moine High School's orchestra meets first period each day under the direction of Mr. Merle Wegene. Besides being a learning experience, class rehearses the students for the concerts given each year and the IMtA contests and festivals held throughout the state.

This year's orchestra was the first to combine incoming freshmen with older instrumentalists. Concertmistress Karen Cassidy says that the younger players add needed size to the ensemble, while the freshmen says that being given a chance to hear and work with people who have some experience brings out a stronger sound than could be obtained in junior high.

Members of the orchestra perform in concerts, participate in the jazz band, and provided pit for this year's musical "Funny Girl." A performance highlight of this year's concert is junior Dan Allcott playing Bach's cello concerto in B flat.

FUNNY GIRL

The musical "Funny Girl" was presented on the MHS stage this year for the first time ever!

"Funny Girl" based on the true story of Fanny Brice is really a story about the meeting of two worlds. Fanny, who had little schooling, is a hard working, ambitious and very talented actress and singer. Nick Arnstein, the man she loved, was a gambler and opportunist despite his advantages of education.

Fanny becomes famous as a Ziegfield star and marries Nick. Nick eventually loses all their money invested in gambling casinos and is sent to jail on charges of embezzlement. When Nick returns after serving his prison sentence, he and Fanny come to the realization that though they still love each other, their marriage can never be a happy one. After they reluctantly part, Fanny resolves to pick up her life again.

The girls chum around as Mrs. Brice gathers up her poker winnings.

Who taught her everything she knows? Rosie Brice and Eddie Ryan, that's who.

A beautiful pregnant bride? Fanny surprises everyone when she appears in the follies as a pregnant bride.

Fanny gets support from her friends on Henry Street.

The musical dancers show their talent on stage.

I know it was pretty shocking news but aren't you overreacting a little?

"The Remarkable Mr. Pennypacker" was the name of the MHS fall play last year. The play featured a man, Pa Pennypacker, with strange philosophies. He has two families, one in Wilmington, Delaware and one in Philadelphia. Neither family knows about the other until Horace III from Philadelphia comes to see his father in Delaware. When the one family learns of the other, chaos breaks loose.

To make matters worse, Kate Pennypacker and Wilbur are to be married but Wilbur's father refuses to allow the wedding to take place when he finds out Kate's father has two families.

My son wants to marry his daughter? Mr. Pennypacker gets carried away while talking to Dr. Field

REBEL WITHOUT A CAUSE

The winter play *Rebel Without a Cause*, directed by Sue Wignall, was a rousing success. The production was unique because the stage had no real scenery, only three different levels of risers to differentiate the separate scenes.

The play revolved around Jim Stark, basically a good kid but not quite sure of where his life was going. This was due mainly to the fact that his parents fought a lot, and didn't provide any real parental guidance. As a result, he frequently wound up in serious trouble. Also adding to his problems was his mother's tendency to move whenever he got into trouble. When the play opens, Jim's family had just settled into their new home.

Jim immediately starts off on the wrong foot by antagonizing one of the school "wheel's" girlfriend and getting into a knife fight. The "wheel," Buzz Gunderson, then challenges him to a chicken run. A chicken run, Jim learns, involves driving two cars towards a cliff at a high rate of speed, and then jumping at the last moment. Jim gets out, but Buzz doesn't make it.

The remainder of the play centers around Buzz's friends looking for Jim, while Jim's psycho friend, Plato, tries to warn him. At this time, though, Jim falls in love with Buzz's girl, Judy, and she falls in love with him. Plato eventually snaps, and shoots one of the gang members. Jim traces him to a planetarium and succeeds in calming him down. Yet Plato unexpectedly bursts from the planetarium, only to be immediately shot by a cop at the scene. In all, 38 students worked together, providing a memorable performance for one of the largest crowds to ever watch an MHS play.

Buzz sure seems a lot more interested in Judy than the stars.

The cast gets together before going out on stage.

Yes Plato, you are next so don't look at me like that.

The Moline High School Contemporaires proudly strutted their stuff in four football and five basketball games this year. They danced to everything from "Mississippi Mud" to "Celebration". Mrs. Pat Shannon said of her students, "To have successful performances the girls have to give 100% every day during class. Fortunately, I have had the pleasure to work with the type of girls who enjoy working toward perfection." The girls met as a class fourth hour every day. They had lots of fun but worked long and hard and their end product was a half time show that was enjoyed by all.

After being dropped last year because of the budget intramurals returned this year and were a huge success.

The students were enthusiastic about the return of intramural athletics and 48% of the student body was involved.

Kelly Schwartz said of the program, "It's a good way to get a lot of people involved in athletics. It's also a great opportunity to meet a lot of people and have a lot of fun!"

There were four sports including football, volleyball, basketball, and softball. All of the teams were co-ed except for basketball which had separate boys and girls teams. On the average there were 4 or 5 games, then they were ranked by number of wins. Brackets were drawn up and a champion was decided by single elimination.

Magdalen Exbaum, D. Aitken, and Bill Lee ran intramurals and all felt it was a great success.

Bill Lee commented, "It's a great way to participate and have fun without the pressure to win. Everyone just relaxes and has a good time. I think it's the most worthwhile program in the school."

GIRLS CROSS COUNTRY

The Girls Cross Country team was very successful this year. In its second year, the team consisted of 10 girls. The team bettered its former rank of 15th in state by capturing 14th this year. Britta Sparrow lead the team with 45th place. All of the races that the team competed in were from 2 to 2.5 miles long. The preparation for these lengthy races was, to say the least, demanding. Britta Sparrow, Senior said, "The practices were so long and strenuous that they absolutely exhausted us-but we are all really happy that we did work so hard because we made our two goals of having a good season and going to state!" Leanne Larson, another top runner, said, "I think our morning workouts were the hardest. Being out running at 6:00 in the morning was doubly hard when we thought of everyone else sleeping in their nice warm beds." The girls usually ran 8 to 12 mile workouts after school each day and ran 6 miles each morning before school. The team members all thanked Mr. Shipley for their great performances at state and in meets. Kristy Dwyer said, "Mr. Shipley is one of the neatest coaches! He made us work really hard but in such a way that we didn't know how hard we were running until the workout was over."

Forty-five new faculty members were added to the MHS staff this year bringing the total number of teachers and administrators to 155. Although some of the new teachers preferred their former junior high school positions most of them are happy at MHS. Although the new teachers who enjoy teaching at MHS have had their "ups and downs" they are still glad to be here. During the first weeks of school many of them had almost as much trouble finding their way around as the new freshmen and sophomores! Fortunately like the students the new teachers have adjusted well to life at MHS.

Fly with the eagles and be free
Quad Cities U S A
Look n' better every day
Quad Cities you're the place I want to be
I want to be

There's a river
A stream that works while it plays
A road through history
Down to the shining sea
This mighty, rollin' river
Tells me that I'm home
Where I can build my tomorrow
Where I can live with the river
Flow with the river and be free
Quad Cities U S A
Growin' stronger every day
Quad Cities you're the place I want to be
I want to be

On this good land
The seasons flavor my life
And it's good to know
Of things that live and grow
I can raise my family
Where the good life's gonna be
And I can build my tomorrow
Where I can live on the good land
Grow with the good land and be free
Quad Cities U S A
Growing better every day
Quad Cities you're the place I want to be

Where I can live with the eagles
Fly with the eagles and be free
Quad Cities U S A
Look n' better every day
Quad Cities, you're the place
I want to be

Let us now suppose that in the mind of each man there is an aviary of all sorts of birds — some flocking together apart from the rest, others in small groups, others solitary, flying anywhere and everywhere . . . We may suppose that the birds are kinds of knowledge, and that when we were children, this receptacle was empty; whenever a man has gotten and detained in the enclosure a kind of knowledge, he may be said to have learned or discovered the thing which is the subject of the knowledge: and this is to know.

LOCKER ART AT MHS

Julie Kiddell and Michelle Lettwin decorated their lockers with Teddy Bears

Jim Bensin: why do you have 5 physics books in your locker?

Michelle Korman's locker sports a wicker basket

Matt Mudd has "Rock Lobster" hanging in his locker

Sarah Jenkins enjoys the blue velvet approach

Det. Masher appears to be a connoisseur of British music: Where's Darren?

A casual observer walking down the halls at MHS will see a variety of decorations in the lockers. One locker might sport brightly colored paper while another may be covered with pictures of rock stars. Mirrors, comic strips, stickers, and even withering carnations grace the walls of many lockers. Students seem to feel their lockers are a sort of "home away from home", an extension of their own personalities.
